This CERTIFICATE is valid only for the craft² or craft type specified hereafter:

Model – 340 AIR TANK

This CERTIFICATE is not an inspection certificate for sale and shall be accompanied by an annex, describing the craft type, the standards or rules applied, the drawings and information submitted³, as well as the test reports of the tests carried out.

Date of issue: 27.06.2019

Issued by: Certification Body of "European Agency of Inspecting and Certification Ltd."

Signed:

Name: Feliks Siirak
 Director – Technical Manager
 Notified Body No 2702

Note:

¹The General Conditions constitute the sole contractual obligations binding together the EAIC and the Client, to the exclusion of all other representation, statements, terms, and conditions whether express or implied. They may be varied in writing by mutual agreement. They are not varied by any purchase order or the document of the Client serving similar purpose.

²No inspection by EAIC is carried out after delivery.

³This CERTIFICATE is not valid for the craft, the design of which has been varied or modified from the specimen tested. The manufacturer shall inform EAIC of any modifications or changes to the craft in order to obtain a valid CERTIFICATE.

European Agency of Inspecting and Certification Ltd., its subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the "EAIC". EAIC assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant EAIC entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
